Premiums are set by the age of the insured persons when the policy is first taken out. Please see annual premiums below:

	<i>Under 29 years</i>	<i>30 – 49 years</i>	<i>50 – 69 years</i>	<i>Over 70 years</i>
Limit £1300	£15.00	£23.00	£30.00	£46.00
Limit £1500	£17.00	£27.00	£35.00	£53.00
Limit £2000	£23.00	£35.00	£46.00	£71.00
Overseas Extension	£30 per person for any age			

Please Note:

- These premiums will not increase as insured persons grow older. In other words, a person taking out a policy at age 45 will continue to pay the premium for that age as long as the policy is renewed. The only time the premium will increase is if there is a general increase applying to all insured persons in the same age group.
- It is possible to extend the policy to cover the costs of returning the body of any insured person who dies whilst off island up to an amount of £1,500. If this cover is required for any insured person, the word 'INCLUDE' should be shown against their name below.
- During the first six months of insurance, there is no cover for suicide, death from existing illness or for people older than 70.

I agree that this application will be the basis of the contract of insurance between me and the insurers - St Helena Insurance Cell Captive. The answers given are all true and correct. I have not omitted or concealed any information which the insurers need to assess the risk.
