MATERIAL DAMAGE INSURANCE Contract Works Application

Insured Contractor: _____ for their respective rights and interests

Employer: _____

Postal Address: _____

Telephone: _____ email: _____

Period of insurance from: _____ to midnight on: _____

Please state main business at premises if contract
Involves alteration of existing premises: _____

Cover provided: **Fire & Explosion** **Theft** **Extended Perils**

The amount insured £ _____ calculated as detailed below

The property insured:

1. The works which are identified in the contract between the contractor and the employer and any other existing building at the insured premises occupied as stated including all structures that form part of the building, such as storerooms and outbuildings, fixtures and improvements but excluding hedges, plants, or landscaping of any kind £
2. Plant and machinery, used in connection with the contract while at the insured premises but Excluding motor vehicles designed and licensed for road use £

State maximum value of such plant and machinery on site at any time

3. Material or goods intended to be incorporated in the works in terms of the contract £

State maximum value of such material or goods on site at any time

4. Debris removal and consultant's cost reasonably incurred following an insured event £

If required in terms of the contract this is often expressed as a percentage of the contract price.

The amount insured must be the contract price plus the cost of replacing the insured property in its entirety using new materials. **If the amount insured is less than this, the amount paid in settlement of any claim may be reduced.**

Note – Stone Buildings: If the existing building is built of stone or part built of stone and if there is no intention of rebuilding or repairing any damage with stone, then the amount insured may be the cost of replacing the insured property in its entirety using new materials other than stone. The policy will then exclude the cost of stone work. If you wish to accept this limitation please tick the box below.

I wish to exclude stone work from my policy and the amount insured has been calculated on the cost of replacing the insured property in its entirety using new materials other than stone
